3. Then you will be prompted to allow permission. Tap "Settings", then enable the switch next to "Allow from this source" on the following screen. From there hit back button, then you can resume installation.

**Note:** If your mobile is already enabled this feature, you will not be prompted for allow permission.

4. Click on Install and a message will appear that app installed.

For Mobiles having Android 7 & Lower version:

1. Download D-Cube APK from <u>www.dopdbbtdelvery.in</u> located in Important Links section.

![](_page_2_Figure_0.jpeg)

2. The exact names of the settings entries listed below may vary slightly from device to device, but the overall process should be very similar. To begin, head to your phone's main settings menu, then look for an entry titled either "Security" or "Lock screen and security."

Setti	ngs Q		Settings	SEARCH	
<b>[</b> 11)	Tap & pay		Motions and gesture	es	
			Applications		
Person	Personal		Personal		
0	Location		Wallpaper
